Your Quebec Health Insurance Plan Provides:

### Prescription drugs
- All Quebec residents must enroll in the basic government drug insurance plan (RAMQ), unless they are already covered by a private group plan. If a resident has individual health coverage, they must still enroll in the basic government insurance plan.

- Coverage for prescription drugs included on the Liste de medicaments or RAMQ drug formulary at a coinsurance amount of 66.0%. Each month, the Quebec resident must pay a deductible of $18.00 when purchasing drugs. Once the deductible is paid, the resident is responsible for the co-insurance amount of 34% of the remaining cost of the insured drugs. The maximum monthly contribution is $85.75 per month which includes the deductible and the co-insurance. After which 100 percent of all expenses within that month are covered by RAMQ. The maximum annual out-of-pocket amount is $1029.00

- When a Quebec resident reaches age 65, he or she is automatically eligible for coverage. The resident must advise RAMQ if they are maintaining group coverage. Annual premium based on family income to a maximum of $640.00 per adult.

### Ambulance
Coverage for land and air ambulance services for persons age 65 and older only.

### Dental benefits
- Coverage for certain oral surgery procedures when done in hospital.

- Coverage for basic routine services and one examination per year for children ages 10 and younger. Services covered are based on the age of patient.

### Visioncare
- No coverage for glasses or contact lenses.

- Coverage for one eye exam every 12 months for residents under age 18 and over age 64.

### Hospital
- Coverage for standard ward rooms only.

### Paramedicals
- No coverage for paramedical practitioners, except when provided in hospital.

### Hearing aids
- The following coverage for those residents that meet the hearing impairment criteria:
  - Coverage for the purchase, adjustment, repair or replacement of a hearing aid.
  - Coverage for the purchase, adjustment, repair or replacement of an assistive listening device.
  - Coverage for the cost of purchase or replacement of one fire alarm detector per floor and four light signal receptors per dwelling unit.

### Nursing benefits and home care
- Coverage for the services of visiting nurses, social workers, etc. at no charge to the patient through the CLSC (Centre local de services communitaires).
